MEMORANDUM FOR: [REDACTED]
NFAC/ORPA/Eastern Europe Division

FROM: Director of Central Intelligence

SUBJECT: [REDACTED] Albania [REDACTED]

I enjoyed your article in the 12 December NID on Albania.

[REDACTED] go back a little
bit into history as to when Albania broke with the Eastern Bloc;
how much tension there has been with Yugoslavia; what the Chinese
relationship amounted to; and now what options the Albanians have
and are exploring. Perhaps there could be some input from OER on
the economic impact of Albania's severing relations and where
Albania's economic ties are today--is she dependent upon trade with
anyone. [REDACTED]
